“After spending the past three Sundays in your baseball hitting camp, I feel that I have gained a lot of helpful information and have improved my skills. I just wanted to thank all of you for running such a great camp. I appreciate learning all of the new drills to allow me to take my hitting to the next level. Your time, patience and individual attention given to me at your camp, I believe, is going to definitely improve my hitting. The camp was a lot of fun and very helpful at the same time.”
