Exquisite experiences in the arts are brought to the Ripon College campus each year by outstanding performers, musicians and visual artists. Members of the Friends of the Arts organization provide vital support for these enriching offerings, as well as contribute to student and faculty training and experiences in the areas of art, music and theatre. Keep the arts alive and thriving at Ripon College through your membership in Friends of the Arts.

For information about membership, please contact Tylor Loest '08 at 920-748-8359 or LoestT@ripon.edu.
